

193F—4.6(272C,543D) Reinstating or reactivating an associate registration. In order to reinstate or reactivate an associate registration that has lapsed or been placed in inactive status for longer than 12 months, the applicant must complete all continuing education required for reinstatement pursuant to 193F—subrule 11.2(5). For purposes of this rule, in addition to the most recent edition of a seven-hour USPAP course, the board shall allow for continuing education only those courses that have been AQB-approved as qualifying education required for certification, as outlined in rules 193F—5.2(543D) and 193F—6.2(543D). The purpose of this requirement is to ensure that those associates reinstating a lapsed or inactive registration are progressing toward certification. Any qualifying education course taken under this rule as continuing education shall also apply as qualifying education toward certification. If the applicant has completed all qualifying education prior to applying to reinstate a lapsed or inactive associate registration, the applicant may use any approved continuing education course as provided in 193F—Chapter 11, in addition to the required seven-hour USPAP update course, toward the continuing education required for reinstatement.
